6 The other particulars may be had at the District Forest Office, Hassan or the Range Forest Office, Hassan Sandal Koti an all working days.

Conditions.

(a) That the contractor shall be ever ready during the period of contract to employ as many number of coolies, who know how to work at Sandal Koti so as to turn out the required quantity of work every week, fortnight, or month as may be assigned and weigh and cart the same as and when required by the Koti Officer.

(b) That the contractor shall deposit the required fee by the Railways for the waggons and take all care in carting and loading sandal into waggons for despatch to the Sandal Oil Factories at his risk in the allotted time.

(c) That in case the contractor fails to do any of the Koti works, act as required at any time and to show the progress ordered, the officer in-charge of the Koti shall make independent arrangement for the preparation, weighment, etc. of the wood, in addition and the contract is also liable for cancellation at the discretion of the District Forest Officer, without any notice.

(d) That the Koti premises be kept clean at all times and all the works done as required by the Range Officer, Sandal Koti.

(e) The koti preparation work will commence at 8 A.M. and continuous by till 6 P.M. every day with an interval of an hour or two from 12 NOON.

(f) The available tools in the koti shall be spared for work and in case the number of coolies is more than that of tools available the contractor should himself provide extra tools required. The tools spared from the Government should be returned intact or otherwise the cost thereof will be recovered from the contractor.

(g) That the contractor should be present at the Sandal Koti at all times, the works are going on and he shall be solely responsible for all acts and omissions of his coolies.

(h) That all the Koti works will be done in strict conformity with the assortment of rules and as per direction of the officer-in-charge of the Koti and whenever the materials are to be packed in bags, to fill and stitch the same as required for safe and easy handling.

(i) That payment will be made to the contractor for the several works done satisfactorily and on bill once every month and generally at the close of the month. The assortment includes as the putting up into lots of white wood of different classes also.

(j) That no smoking will be permitted any where in the premises of the Sandal Koti building and that in case of danger to the sandal wood by fire, the contractor will be liable to the Department for damage which will be recoverable as if it were an arrear of land revenue.

(k) That the contractor and his coolies will submit to the disciplinary measures that may have to be enforced by the Koti Officer, during the working hours.

N.B.—(1) As a rule, higher rates are payable for superior classes (1) of prepared wood and less for inferior classes, Hence, two different rates should be quoted in the tender, one for each of the two classes, since the object aimed at is that the greater care should be taken by the contractor to see that the Koti works are conducted on principles of economy so as not to waste heartwood, in any case. No charges are payable on the Milvachilta if the out-turn of the same is 15 per cent and over in proportion to the total production of good wood.

(2) The saw dust which will be obtained in the course of cross cutting of billets during conversion of sandal wood will not be paid for and during conversion gunny bags should be placed below the cross cuts so that the saw dust should not get mixed up with the Mud, etc.

(l) For breach of any of the foregoing conditions, of the contract, the contract will be cancelled or the amount deposited as security deposit will beforfeited either in whole or in part at the discretion of the District Forest Officer. In case the security deposit or part thereof is forfeited, it shall be immediately made good by the contractor. In the event of cancellation of the contract, the District Forest Officer may at his discretion, invite fresh tenders for the work or get it executed departmentally at the risk of the contractor the extra expenditure that may have to be incurred or loss sustained being recovered from the contractor as arrears of Land Revenue.
